“Getting into those bigger and tougher tournaments make it harder to keep a good record,” Blees said. “... and you gain from the matches you’ve lost.”

Among the 119-pounders Blees expects to face at the state are Russell, two-time

While this season has been more difficult for Blees than his first year on the varsity, the BHS coaches expect him to be an elite wrestler by the time he graduates.

“He’s going through some growing pains — he jumped two weights,” said Scott Knowlen, who shares BHS coaching duties with Jeff

There are three and potentially four teams that have that could separate from the rest of the pack.”

“I think we will be able to compete with Stevens and West Fargo and the other team I’ve heard about by word of mouth is Frazee,” Knowlen added.

The Rotary field is loaded with standout wrestlers. Eight 2009 Rotary champions were underclassmen. Among the winners sched-

Stevens, and Jerad Fugleberg of Fargo South. Schiller and Jensen are shooting for their third Rotary titles.

“There are some awfully competitive weight classes out there,” Knowlen said.

All of the top 10 Class A North Dakota teams are entered. Bismarck, West Fargo, Fargo South, Williston and Century made up the top five in the most recent state Class A poll.

wards and Corey Kerzmann had 19 points and seven assists.

Coming off the bench was a role that took Green awhile to accept.

“I’ve learned to accept my role and contribute anyway I can,” Greene said. “The team is more important than individual stuff. I always feel like a starter when I come into the game. Coach lets me play freely. I feel like we have a six-man starting five.”

After getting behind 14-3, Greene jump started the Mystics when he drained a 3-pointer from the right corner at 13:54.

“When he hit that 3-pointer right away, he got our juices flowing,” Harris said. “We looked lethargic at the beginning. If you look at his minutes, he plays as hard as the starters out there.”

Once the Mystics got rolling, they rattled off a 15-6 run, spearheaded by a 3 from Ulmer and two straight from Ulmer. A pair of free throws brought the Mystics within two, 23-21, at 9:41. Kerzmann gave BSC its first lead at 4:24 with a triple from the top at 4:24.

The Mystics took a 42-37 lead to halftime.

The teams played through 12 lead changes and even ties in the second half. Kerzmann put the Mystics up for good at 6:58 on a pair of gift tosses.

Bismarck State cashed in on 22 of 27 attempts from the free-throw line. Kerzmann led the way, making 10 of 12 attempts. Dawson netted 10 of 14 attempts from the foul line.

The Mystics made 11 of 37 pointers. Green and Ulmer both connected on three

attempts. Brock Copenhaver made two and Jordan Thilmony, Kerzmann and Weisbeck all had one apiece.

The Buccaneers held a 53-42 advantage on the glass.

“We shoot a lot of 3s so that helps enable a team to get defensive rebounds,” Harris said. “But we could have done a better job on the defensive end. The guards have to do a better job of helping underneath.”

Guard Brock Copenhaver rolled his left ankle at 3:01 of the second half. Harris said Copenhaver will be evaluated. If Copenhaver isn’t ready to go when the Mystics host Miles on Monday, Greene will need to log more minutes.

“Brock looked like he was in a lot of pain, and he’s a tough kid,” Harris said. “If we err, it will be on the side of caution.”

The blow-out victory didn’t come without a cost. Point guard Melissa Strandemo sprained her ankle at 16:02 of the second half while driving the right side of the hoop. Coach Len Stanley hopes his floor general will

be ready for the Mystics’ next action.

“She runs our offense,” BSC forward Shannon Schmidt said. “It’s never good when the person in the driver’s seat goes out.”

Center Kelsey Sigl led the Mystics with a double-double on 26 points and 12 boards. Schmidt added 13 points and Lacey Petersen and Alyssa Hummel added 12 points apiece. All but two Mystics scored.

The Buccaneers shot just 19.4 percent from the field on a 14-of-72 effort.

Schmidt said defense was one of the Mystics’ main focuses.

“Defense is always a big key in any game you play,” Schmidt said. “Against Turtle

Mountain (on Monday) we let them score a few more points than they should have.”

The Mystics started the contest with a 15-0 run, with eight points coming from Sigl, and never looked back.

Tide wins title

With McCoy on the sideline nursing a shoulder injury, the Tide rolled to a 24-0 lead at halftime, the final touchdown coming when lineman Marcell Dareus picked off a shovel pass and returned it 28 yards for the score late in the second quarter.

The second half figured to be a laughter with Gilbert in the game — a freshman who was Texas’ “quarterback of the future” but had thrown only 26 college passes. The kid almost did it, though.

He threw two touchdown passes to All-American Jordan Shipley to trim the deficit to 24-21 with 6:15 left, and after an Alabama punt, he had the ball at the 7-yard line, 93 yards away from one of the most improbable comeback stories in the history of the game.

But after an Alabama

holding penalty moved the ball to the 17, Gilbert dropped back to pass and got rocked by Anders, a senior who plays in the shadow of All-Americans Terrence Cody and Rolando McClain. The ball went flying and Courtney Upshaw recovered.

Three plays later, Heisman Trophy winner Mark Ingram surged into the end zone from the 1 for the 10-point lead. A few minutes later, after Gilbert’s third interception of the night, Trent Richardson scored his second touchdown to make it 37-21.

Then the party began. Glory came back to one of the country’s most storied programs, the football factory that Bear Bryant built, courtesy of Nick Saban, who resurrected this team in the short span of three seasons.

The North Dakota Firefighter’s Association will be having a conference call. SRT has made available line: 701-857-0001 on Tuesday, January 12 @ 9:00 p.m. Please dial that number and you will be connected to the Office Committee meeting. The discussion will revolve around new telephones, a new website, new shredder and State Fire School.

chapter 49-22 and North Dakota Administrative Code article 69-06 to allow for a single consolidated application for corridor certificate and route permit and to hold a combined hearing on the waiver request and application for corridor certificate and route permit.

A Public Hearing on the application is scheduled to begin February 1, 2010, at 10:00 a.m. CST, at the Oliver County Court House, 115 Main Street, Center, North Dakota 59503. The issues to be considered are:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?

2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?

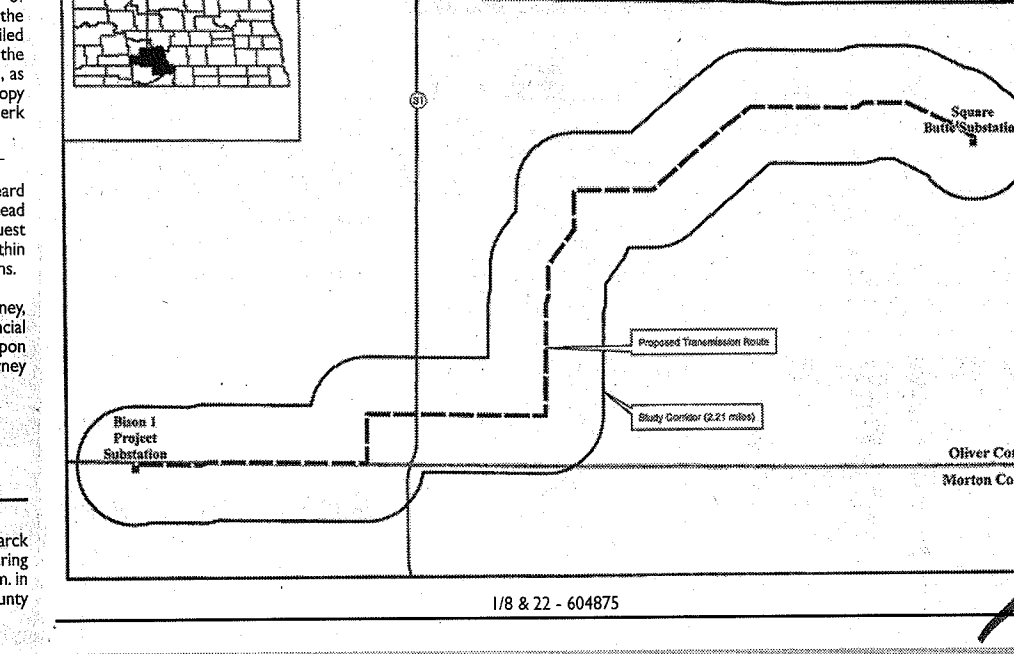

3. Will the proposed facility locations minimize adverse human and environmental

impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

4. Is it appropriate for the Commission to waive procedures and time schedules as requested, including the request for a single consolidated application for corridor certificate and route permit?
