**RE: Grain Warehouse License**

Dear Scott:

Enclosed is your North Dakota Grain Storage Warehouse License for Buffalo and relevant documents. Your license and each of the colored posters must be displayed at your facility in an area easily visible by patrons.

State law requires that licensees submit grain movement and storage reports. Enclosed is an original form that we ask you to use for making copies when submitting your monthly reports. State law requires that these reports be submitted within 30 days of the end of each month.

Buffalo has been assigned grain movement number **7056**. Please use this number on your monthly report forms. All report forms are mailed to the Upper Great Plains Transportation Institute for input in a database. Legislation makes the information contained in these reports **CONFIDENTIAL**. Information on individual licensees cannot be released to non-governmental entities without the permission of the licensee.

Your cooperation is appreciated. Thank you and if you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter, Director  
Licensing Division
