In the Matter of hazardous buildings located at Park Lane Mobile Home Park, Dilworth, Minnesota Before the City Council of the City of Dilworth

ORDER

(Pursuant to Minn. Stat. 463.15 through 463.24) TO: The Owners of the Mobile Homes at 710 2 1/2 Avenue NW and 605 2nd Avenue NW, Dilworth MN, and to: Roger Van Raden Van Raden Homes 402 35th Avenue North Fargo, ND 58102

Pursuant to Chapter 463.15 through 463.24 of the Minnesota Statutes, the City Council of the City of Dilworth, Minnesota, having considered the matter on October 12, 2009, finds the above-described premises to be hazardous buildings for the following reasons:

FINDINGS OF FACT I. The City of Dilworth has received reports of abandoned properties, condemned properties and hazardous building conditions in connection with mobile homes at Park Lane Mobile Home Park in Dilworth, Minnesota. The specific addresses about which information has been received, as a result of reports, inspections and investigation include the following properties:

710 2 1/2 Avenue NW has been condemned and is hazardous.

605 2nd Avenue NW is abandoned and the property is hazardous

709 2 1/2 Avenue NW is abandoned and the property is hazardous

607 3rd Avenue NW is abandoned and the property is hazardous

603 3rd Avenue NW is abandoned and the property is hazardous

The residential building inspector for the City of Dilworth inspected the property at 710 2 1/2 Avenue NW, both inside and outside, on November 19, 2008. The other properties listed above have not been inspected on the inside but have been inspected from the outside. The City of Dilworth has requested permission to conduct interior inspections but the owner of the park, Van Raden Homes, has denied access.

II. Van Raden Homes is the owner of the lots upon which the above-described trailer homes are located and the address of the above-described property is Park Lane Mobile Home Park in Dilworth, Minnesota.

III. Van Raden Homes owns the mobile homes at 709 2 1/2 Avenue NW, 607 3rd Avenue NW and 603 3rd Avenue NW.

IV. The owners of 710 2 1/2 Avenue NW and 605 2nd Avenue NW are unknown or cannot currently be identified.

Each of the above-identified mobile homes is a hazardous building pursuant to Minnesota Statutes 463.15 through 463.24.

V. The City of Dilworth has made numerous communications to Van Raden Homes to remedy the hazardous conditions. No steps have been taken to remedy the hazardous conditions of the above-identified mobile homes.

VI. The City Council of Dilworth concludes that a reasonable time for the owners of the above-described homes to correct and remove the hazardous conditions of the structures or to raze or repair the structures shall be 30 days from the date of the issuance of this order.

VII. The City of Dilworth shall file a copy of this order with proof of service with the Court Administrator for District Court in Clay County and it will file a motion for summary enforcement of the order with the District Court in Clay County unless corrective action is taken within 30 days from the date of service of the order, or unless an answer is filed within 20 days from the date of service as required by Minnesota Statute 463.18.

From the foregoing findings of fact the City Council now makes the following:

CONCLUSIONS OF LAW

1. The City Council of the City of Dilworth concludes that the structures are unsafe, and a hazard to public health under Dilworth city ordinances and that the structures are hazardous buildings in accordance with Minnesota Statute 463.15.

2. In accordance with the Dilworth City Code, the Minnesota State Building Code (MSBC), Chapter 1309 of the International Residential Code (IRC), Chapter 1350 Manufactured Homes, 24 Code of Federal Regulations (CFR) Chapter 3280, and Minnesota Statutes Chapter 463, if the owners of the trailer homes do not repair the homes in accordance with the MSBC, IRC, Chapter 1350 Manufactured Homes, and 24 Code of Federal Regulations (CFR) Chapter 3280, and repair all of the deficiencies described above and otherwise bring the structures into compliance with all applicable City ordinances and the State statutes, including all applicable electric and building codes, within thirty (30) days, or if the owners of the property do not answer within twenty (20) days from the service of this Order, a Motion for Summary Enforcement of this Order will be made to the District Court of Clay County, Minnesota.

3. In any event, it is ordered that said property be totally secured immediately and that all openings to the buildings, septic systems, coal bins and other hazards located upon said property be completely sealed so that no access is available to children, animals or rodents.

4. The Council further orders if the City of Dilworth is compelled to raze, remove, repair or correct said structures, all necessary costs expended by the City will be assessed against the real estate on which said properties are located and collected as are other taxes.

Dated this 3rd day of November, 2009.

BY ORDER OF THE CITY COUNCIL OF THE CITY OF DILWORTH Keith Coalwell, Mayor ATTEST: Ken Parke, City Administrator (Nov 16, 23, 30, Dec 7, 2009) 1004691

ORDINANCE 09-05 THE CITY COUNCIL OF THE CITY OF DILWORTH DOES ORDAIN AS FOLLOWS: SECTION 1. Findings and Purposes.

Subd. 1. The purpose of this Ordinance is for the efficient, economic and safe operation of a storm water system for the protection of the health, safety and general welfare of the residents of the City of Dilworth.

Subd. 2. The system, as constructed heretofore, has been financed and paid for through the imposition of special assessments and ad valorem taxes. In addition to these funding sources, it is now necessary and desirable to provide an alternative method of recovering some or all of the future costs of improving, establishing, enlarging, replacing, repairing, maintaining, and operating the system through the imposition of charges as provided in this ordinance.

SECTION 2. Water Utility Established. A municipal storm water utility is hereby established and shall be operated as a public utility pursuant to Minnesota Statutes Section 444.075 from which revenues will be derived subject to the provisions of this Chapter and Minnesota Statutes.

SECTION 3. Definitions. Unless the context clearly indicates otherwise, the following words or phrases have the meanings given in this Subdivision.

Subd. 1. Runoff Equivalent Factor (REF). Rates and charges for the use and availability of the system are to be determined through the use of a "Runoff Equivalent Factor". For the purposes of this section, one REF is defined as the ratio of the average volume of surface water runoff generated by one acre of a particular land use, to the average volume of runoff generated by one (1) acre of typical single-family residential land, during a standard one-year rainfall event.

Subd. 2. Storm Water Utility Rate. The monthly rate charged against one (1) acre of land having an REF of one (1.0) shall be the storm water utility rate.

Subd. 3. Standardized Acreage. For the purpose of calculating storm water drainage charges, all developed parcels shall be considered to have an acreage of one (1) acre.

SECTION 4. Calculation of Fee.

Subd. 1. Land Use Classifications. Storm water drainage fees shall be determined by multiplying the REF for a parcel's land use by the storm water utility rate. The REF values for the various land uses are as follows:

Table with 3 columns: Classification, Typical Land Uses, REF. Includes Residential Single Family (1.0), Duplex, Town homes and Condominiums (per unit) (1.0), Churches (Exc. Presby. Church - 1.0) (2.0), Vacant land (e.g. undeveloped/land agricultural land without a dwelling) (0.0), Commercial Land: a) Central Business District (1.0), b) General Business District (2.0), - over 5 acres (3.0), - over 10 acres (4.0), - over 15 acres (5.0), - over 20 acres (6.0), - over 25 acres (7.0), 6 School (5.0), 7 Industrial Zone (6.0), 8 Railroad (10.0)

Subd. 2. Other Land Uses. Other land uses not listed in the foregoing table shall be classified by the City Council by assigning them to the classes most nearly like the listed uses from the standpoint of impervious coverage and run-off produced.

Subd. 3. Storm Water Utility Rate. The storm water utility rate shall be determined by the City Council on an annual basis in the same manner as for other utilities, and shall be charged to all parcels not listed as exempt in Subdivision 4.

Subd. 4. Exemptions. Public rights-of-way and city owned property shall be exempt from storm water utility fees.

SECTION 5. Billing and Payment. Storm water utility charges shall be computed and billed monthly with, and included as a charge on, bills issued by the City for water and sewer services. If a parcel of land subject to the storm water utility is not served by other utilities, a separate bill shall be issued on a monthly basis. All charges shall be subject to:
