PUBLIC SERVICE COMMISSION

Re: Residential electric service for Michael Flaa
Case No. PU-09-665

Dear Ms. Jeffcoat-Sacco,

It was brought to our attention today by the Commission office that Cass County Electric was not informed of the Notice of Opportunity for Hearing on the above referenced NDPSC case. The notice of hearing was dated November 12, 2009; comments were due by December 9, 2009.

Cass Electric did respond to the notice for comments on the temporary service request on October 6, 2009 and did not object to the request. We did however request an opportunity to comment on the permanent service. We appreciate the opportunity to file post-hearing comments on this case.

Cass County Electric will not object to the granting of a Certificate of Public Convenience and Necessity to Ottertail Power Company in the above mentioned case, provided the service is for this specific residential site located in the SW ¼ SE ¼ Section 26, Township 134N, Range 49W, Richland County, North Dakota.

Cass County Electric reserves the right to object to any extension beyond the specific service requested.

Sincerely yours,

Bradley J. Schmidt PE
Sr. VP Trans. & Distr. Services
