Subject: Correction for Baldwin Wind Energy Center Application for a Certificate of Site Compatibility, PU-09-668

Dear Mr. Nitschke,

Below is a correction for the application submitted to you on March 5, 2010 for Case Number 09-668. We request that this be added to the file.

3.3 Design and Construction Limitations (2nd paragraph)

As submitted:

Specific to the Project, there are few additional items that are limiting factors when designing and constructing the Project. Baldwin Wind has secured a conditional use permit (CUP) for the proposed Project from Crofte Township. Land development in Ecklund Township is regulated by Burleigh County, and Baldwin Wind is currently in discussions with the County to secure the necessary building permit for the portion of the Project in Ecklund and Grass Lake townships

Corrected:

Specific to the Project, there are few additional items that are limiting factors when designing and constructing the Project. Baldwin Wind has secured a conditional use permit (CUP) for the proposed Project from **Ecklund** Township. Land development in **Crofte** Township is regulated by Burleigh County, and Baldwin Wind is currently in discussions with the County to secure the necessary building permit for the portion of the Project in **Crofte, and in discussions with Grasslake Township Officials for a permit in Grasslake.**

Please call me at (617) 443-7552 with any questions or comments.

Sincerely,

TETRA TECH EC, INC.

Tracey M. Martorano, P.E.
