CASE NO. PU-09-670

Dannel Nitschke on PSC,

This letter is to inform you, of our interest, on the Midkota Power Company proposed May 2011 meetings on the Center to Grand Forks transmission line. As farmers/landowners in line for this to cross our property, we need to have agriculture represented/present at these meetings.

PAGE (1)

IT would be much better to set these meetings after about June 15th 2011 because farmers are still doing SPRING PLANTING in May and be unable to attend.

THANKS for LISTENING
