

Darrel Nitschke  
 Executive Director  
 Public Service Commission

**RECEIVED**

APR 01 2011

Darrel,

**PUBLIC SERVICE COMMISSION**

I am referencing case no. PU-09-670 with the Minnkota Power line. AS an affected landowner we have many concerns that cant seem to get answered. Minnkota is the most disorganized company I have delt with and has not adressed needed questions. I Am requesting the public service meeting Be delayed until mid june as farm operators will Be very Busy in May.  
 Thank you for your consideration
