PUBLIC SERVICE COMMISSION

Dear Darrel, as Executive Director of the public service I would like to ask your cooperation in setting a date to hold hearings regarding case No. PU-09-670. Involving the proposed Center to Grand Forks Transmission Line.

As a land owner that will be affected by the transmission line. I would like the opportunity to voice some concerns at these meetings, but as the meetings are currently scheduled for early May, I feel I may not be able to attend do to spring planting obligations.

If possible I would ask you to schedule the meetings for some time after June 15, so that more land owners that will be directly affected by the line will be able to attend.

Sincerely,

Robert Kleinsasser
