City Council Equalization Meeting

April 12, 2011
PROVED MINUTES
City Board of Tax Equalization April 12, 2011, at City Hall. Cowski called the meeting to order. Council members present were Stensee-Brooks, Larry Hulst and Jim Vasichek. Council members absent were Jon McLean and Sandy Meyer. Others present were City Clerk Karna, Sandy Meyer and

Cowski recognized Rod and Sandy Meyer asked for a reduction for the 5 buildings they are numbers ending in 24543, 24547 which is also known as the 5 and community room. Mrs. Hulst of the buildings have been used and are being used as a garage. She provided the council with a list for the properties in question. The 5 properties were valued at \$165,000 and the current value is approximately \$250,000. Council Member Hulstrand moved to reduce the total tax valuations by \$44,000, seconded by Vasichek. On a roll call vote, all in favor.

Sandy Meyer left at 7:25 p.m. Cowski recognized Assessor Rod Karna presented the proposed changes for 2011. Cowski's recommendations for change as follows:

BIDS WILL BE OPENED AT 10:00 AM.

STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION Minnkota Power Coop, Inc. 345KV Transmission Line - Center to Grand Forks Siting Application Case No. PU-09-670 NOTICE OF RESCHEDULED HEARINGS April 20, 2011

On February 18, 2011, Minnkota Power Cooperative, Inc. (Minnkota) filed an application for a Certificate of Site Compatibility for Transmission Facility Corridor for approximately 260 miles of 345 kV transmission line and associated facilities to be constructed from the Center Substation near Center, North Dakota to the Prairie Substation near Grand Forks, North Dakota, as shown on the attached map. Minnkota requests the Commission approve a 1,000 foot-wide corridor under N.D. Admin. Code section 69-06-04-02(b). If a corridor certificate is granted then a separate route permit application and hearing is required before designating a transmission line route within the approved corridor.

On March 24, 2011 the Commission issued a Notice of Filing and Notice of Hearing, scheduling three separate public hearings for May 3, 4, and 13, 2011. The Commission has since received several requests to postpone the hearings until after the spring planting season. Therefore, please take notice that Public Hearings on the application are rescheduled to be held:

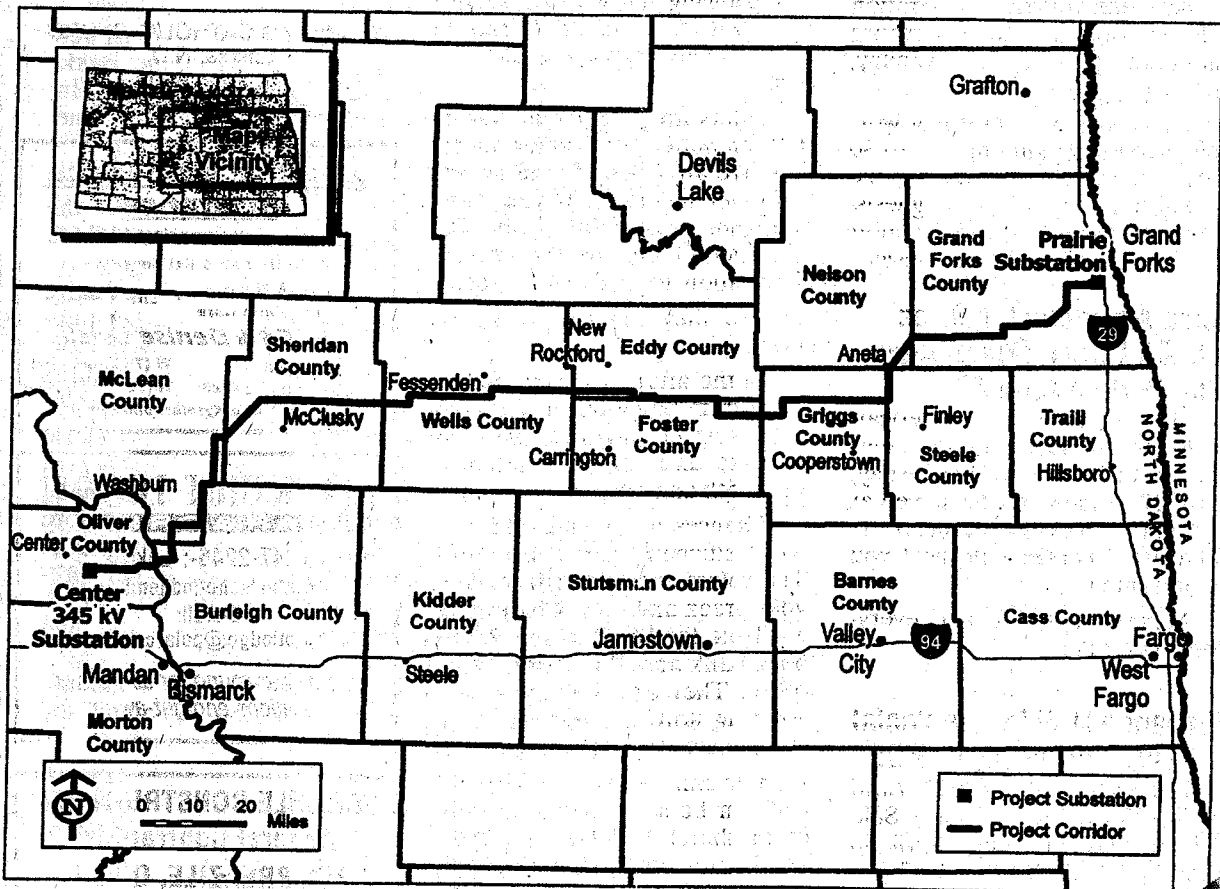

June 16, 2011, 10:00 a.m. at the Northwood High School, 300 35th St. NE, Northwood, ND 58267.

June 17, 2011, 10:00 a.m. at the Chieftain Conference Center, Tepee Room, 60 4th Ave. S, Carrington, ND 58204.

June 24, 2011, 10:00 a.m. at Memorial Hall, 805 Main Ave., Washburn, ND 58577.

The issues to be considered are:
1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?

2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
4. Is it appropriate for the Commission to approve a 1,000 foot-wide corridor as requested in the application?
For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission.
PUBLIC SERVICE COMMISSION
Kevin Cramer, Commissioner
Tony Clark, Chairman
Brian P. Kalk, Commissioner.

Warning Sirens To Be Tested

Spring melting has caused a lot of flooding issues across the state.

building.

--If shelter is not available or there is not time to get indoors, lie in a ditch of low-lying area or crouch near a strong building. Be aware of the potential for flooding.

--Use arms to protect head and neck.

If In A Car:

--Never try to out drive a tornado in a car or truck. Tornadoes can change direction quickly and can lift up a car or truck and toss it through the air.

--Get out of the car immediately and take shelter in a nearby building.

--If there is no time to get indoors, get out of the car and lie in a ditch or low-lying area away from the vehicle.

--Be aware of the potential for flooding.
