Re: MinnKota Power Cooperative Building Permit approved

Dear Brian:

The Building Permit has been approved by the Griggs County Commission with conditions as stated. The Conditional Use Permit, final PSC Findings of Fact, Conclusions of Law and Order and map are attached to, and are a part of, the Building Permit.

As of this time, neither Wayne Oien, Griggs County Road Superintendent, nor I have been provided with the pre-haul road inspection report which was promised. Would you please have that provided as soon as possible. The Road Haul Agreement (or Haul Road Agreement) has not yet been finalized but I know that construction of the towers is already in progress; however, the agreement must be put in place as soon as possible.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

GRIGGS COUNTY ZONING ADMINISTRATOR
