**Re: Permit Compliance Inspections for Minnkota 345 kV Center to Grand Forks Transmission Line, Route Permit Number 144  
HEi Project Number: R126077-003  
Contract No. PU-668-12**

Dear Jerry,

Please find enclosed one copy of the Final Compliance Inspection Report for the Minnkota 345 kV Center to Grand Forks (CFG) Transmission Line. Also included are two CD's containing site photography and the compliance inspection field database information for the CGF transmission line. This represents Houston Engineering's final deliverable associated with Contract No. PU-668-12.

Sincerely,

HOUSTON ENGINEERING, INC.

Emmy Baskerville
