Re: Fuel Clause Adjustment (FCA)
Case No. PU-09-__

Montana-Dakota Utilities Co. (Montana-Dakota), a Division of MDU Resources Group, Inc., herewith respectfully files an original and seven (7) copies of its fuel clause adjustment (FCA) per its Fuel Clause Rate 58. The attached statement shows the following:

Cost per Kwh	\$0.01662
Base Cost/Kwh Included in Current Rates	<u>0.01303</u>
Total Billing Adjustment	\$0.00359

The net effect of this FCA is to decrease the rate by 0.044 cents per Kwh for service rendered in the month of November 2009. All of North Dakota's electric customers will be affected by this proposal. There were 75,216 electric customers in North Dakota as of September 30, 2009.

The decrease in the FCA for October is caused by the fact that the higher cost month of May, used in the October calculation, was replaced by the lower cost month of September.

In response to Paragraph No. 11 of NDAC Section 69-09-02-39, Montana-Dakota purchases natural gas used for electric generation from its own gas operations or transports natural gas purchased from others under the applicable gas tariff approved and on file with the Commission in the state where the purchase is made or the transportation occurs.

Montana-Dakota submitted a check for the amount of \$600.00 on December 17, 2008. This payment will cover the filing fee associated with the monthly FCA filings, in accordance with North Dakota Century Code Section 49-05-05, for January through December, 2009.

Please acknowledge receipt by stamping or initialing the duplicate copy of this letter attached hereto and returning the same in the enclosed self-addressed, stamped envelope.

Sincerely,

A handwritten signature in cursive script that reads "Donald R. Ball".
