RE: Roving Grain Buyer License

Dear Mr. Spatz:

Enclosed is your ND Roving Grain Buyer License. Also enclosed is a document relating to the Credit-Sale Contract Indemnity Fund. This document should help you understand what the credit-sale contract indemnity fund is and answer any questions you may have regarding the fund. The Credit-Sale Contract Indemnity Fund reached its \$6 million cap in early 2008 and collections were suspended as of July 2008.

Also enclosed is an original monthly reporting form that we ask you to use for making copies when submitting your monthly reports. State law requires these reports **must** be submitted within 30 days of the end of each month, even if you do not conduct business during a month. Remember, these reports are **CONFIDENTIAL** and information on individual licensees cannot be released to non-governmental entities without the permission of the licensee.

Our laws and rules are available at www.psc.state.nd.us . Please call me at 701-328-4097 if you have any questions.

Sincerely,

Susan Richter, Director
Licensing Division
