RE: Cancel License and Discontinue Business
Koppinger Trucking, LLC – Dickinson, ND

The Licensing Division received a Request to Discontinue Business from Koppinger Trucking, LLC of Dickinson, North Dakota. The licensee informed the Commission that they no longer need a roving grain buyer license as they have applied for and will operate under a grain warehouse license.

Koppinger Trucking, LLC asked that their request to cancel the license and discontinue business as a roving grain buyer be approved effective immediately. I recommend the request be approved effective immediately and that this action be noticed on the Commission Agenda.

Temporary authorization:

Commissioner *Tony Cramer*
