Siting Application**

Case No. PU-09-724

**NOTICE OF RESCHEDULED HEARING
September 10, 2010**

On March 19, 2010, NextEra Energy Resources, LLC (NextEra) filed an application for a waiver of procedures and time schedules, a corridor certificate and a route permit to authorize construction of 11 miles of 230 kV electric transmission line and associated facilities in Morton and Oliver Counties of North Dakota, as shown on the attached map. On May 12, 2010 NextEra requested to transfer this case to its subsidiary, Oliver Wind III, LLC as the applicant.

Oliver Wind III, LLC requests the Commission waive procedures and time schedules set forth in North Dakota Century Code chapter 49-22 and North Dakota Admin. Code article 69-06 to allow a single consolidated application for corridor certificate and route permit and to hold a combined hearing on the waiver request and application for corridor certificate and route permit.

The **Public Hearing** scheduled for September 16, 2010 is cancelled and **rescheduled to begin October 22, 2010 at 9:00 a.m. CDT, at the Oliver County Courthouse, 115 W Main St, Center, North Dakota 58530.** The issues to be considered are:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
4. Is it appropriate for the Commission to waive procedures and time schedules as requested, including the request for a single consolidated application for corridor certificate and route permit?
