Dear Mr. Nitschke:

In re: Oliver Wind III, LLC
Wind Energy Center
Case No. PU-09-724 and PU-16-122
Our File No. 35-218-012

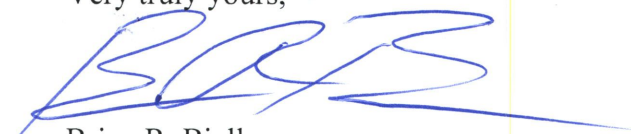

I am writing on behalf of our client Oliver Wind III, LLC ("Oliver Wind III"). On April 20, 2011, Oliver Wind III was issued Corridor Certificate No. 117 and Route Permit No. 127, to construct a transmission line in Morton and Oliver Counties, North Dakota, in Case No. PU-09-724. Oliver Wind III states that the transmission line as approved in Case No. PU-09-724 has not been constructed, and will not be constructed.

As you are aware, on March 4, 2016, Oliver Wind III recently filed an application for a transmission line in Oliver and Morton Counties, North Dakota, Case No. PU-16-122. In the application, Oliver Wind III requested that the proposed transmission line and associated facilities as set forth in that application be substituted for and supersede that as approved in Case No. PU-09-724.

On behalf of Oliver Wind III, we hereby request that (1) Case No. PU-16-122 be substituted and supersede Case No. PU-09-724, (2) that Case No. PU-09-724 be closed, and (3) that any remaining filing fees in Case No. PU-09-724 be refunded to Oliver Wind III.

Please contact me should you have any questions.

Very truly yours,

Brian R. Bjella
