On December 4, 2009, Montana-Dakota filed an application for authority for deferred accounting for costs related to Montana-Dakota's efforts in securing new electric generation, primarily the Big Stone II Generating Station, until disposition of its next general electric rate increase, Case No. PU-09-733.

On December 14, 2009, Otter Tail filed an application for authority to use deferred accounting until its next rate case for costs incurred during its participation in the Big Stone II project, Case No. PU-09-739.

On January 19, 2010, Otter Tail filed an application for determination that continuation of the Big Stone II Project is no longer prudent, Case No. PU-10-30.

Public hearings on the two Otter Tail cases, Case No. PU-10-30 and Case No. PU-09-739, will be consolidated and will be held beginning May 5, 2010 at 8:30 a.m. CDT in the Commission Hearing Room, State Capitol, 12th Floor, Bismarck, North Dakota, 58505.

The issue to be considered in Case No. PU-10-30 is whether Otter Tail's continued participation in the Big Stone II Generating Station is no longer prudent.

The issue to be considered in Case No. PU-09-739 is whether authorization for deferred accounting of costs incurred during participation in the Big Stone II project is in the public interest.
