NOTICE OF HEARINGS
March 10, 2010
On August 27, 2008, the Commission adopted an order approving the requests of Otter Tail Power Company (Otter Tail) (Case No. PU-06-481) and Montana-Dakota Utilities Co.'s (Montana-Dakota) (Case No. PU-06-482) for an advance determination of prudence for their ownership in the proposed Big Stone II Generating Station.
On December 2, 2009, Montana-Dakota filed an application for a determination that Montana-Dakota's continued participation in the Big Stone II Generating Station is no longer prudent, Case No. PU-09-731.
On December 4, 2009, Montana-Dakota filed an application for authority for deferred accounting for costs related to Montana-Dakota's efforts in securing new electric generation, primarily the Big Stone II Generating Station, until disposition of its next general electric rate increase, Case No. PU-09-733.
On December 14, 2009, Otter Tail filed an application for authority to use deferred accounting until its next rate case for costs incurred during its participation in the Big Stone II project, Case No. PU-09-739.
On January 19, 2010, Otter Tail filed an application for determination that continuation of the Big Stone II Project is no longer prudent, Case No. PU-10-30.
