Re: Bridger Pipeline LLC, PSC Case No. PU-09-750
Combined Application for Certificate of Corridor
Compatibility and a Route Permit
OAH File No. 20100240

Dear Ms. Jeffcoat-Sacco:

The hearing of the captioned case was held September 9, 2010, as noticed, and the hearing was completed and closed that day, subject to the filing by Bridger Pipeline of late-filed exhibits. The Commission's documents provided to the Office of Administrative Hearings for its file for this case and the exhibits offered at the hearing have been returned to the Commission together with the exhibit list. No procedural matters remain for disposition by me as the Commission's hearing officer for this hearing. Accordingly, I have closed the file of the Office of Administrative Hearings for this matter.

The Office of Administrative Hearings was pleased to assist the North Dakota Public Service Commission and Bridger Pipeline LLC for disposition of this case.

Sincerely,

Al. Wahl
Temporary Administrative Law Judge
