RE: Organic Grain and Milling, Inc. Clyde, ND  
License Suspension/Revocation

On October 19, 2009, the Commission was notified that the Grain Elevator Warehouse Bond issued to Organic Grain and Milling, Inc. would be cancelled on January 27, 2010. N.D.C.C. § 60-02.1-09 provides that the Commission shall immediately suspend an elevator's license if the licensee fails to file a replacement bond at least thirty days before cancellation of the current bond filing. As of December 28, 2009, no replacement bond was filed with the Commission and grain elevator warehouse license no. 1156 issued to Organic Grain and Milling, Inc., Boulder, Colorado at its Clyde, North Dakota facility, was suspended effective December 29, 2009.

Organic Grain and Milling, Inc. had until January 27, 2010, to procure and file an adequate bond or submit a written request for hearing. Neither a bond nor a written request for hearing was filed with the Commission and grain elevator warehouse license no. 1156 issued to Organic Grain and Milling, Inc., at Clyde, North Dakota is revoked.

Attached are a motion and order revoking grain elevator warehouse license no. 1156 issued to Organic Grain and Milling, Inc. at Clyde, North Dakota and ordering Organic Grain and Milling, Inc. to return grain elevator warehouse license no. 1156 to the Commission.

If you have any questions, please let me know.
