CERTIFICATIONS AND SIGNATURES (20)

I certify that my company will publicize the availability of Lifeline and Linkup services in a manner reasonably designed to reach those likely to qualify for those services.

I certify that my company will pass through the full amount of all Tier Two, Tier Three, and Tier Four federal Lifeline support for which my company seeks reimbursement, as well as all applicable intrastate Lifeline support, to all qualifying low-income subscribers by an equivalent reduction in the subscriber's monthly bill for local telephone service.

I certify that my company has received any non-federal regulatory approvals necessary to implement the required rate reduction(s).

Based on the information herein furnished to me by employees responsible for the preparation of the data being submitted, I certify that the data contained in this form has been examined and reviewed and is true, accurate, and complete.

I acknowledge the Fund Administrator's authority to request additional supporting information as may be necessary.

NOTICE: To implement Section 254 of the Communications Act of 1994, as amended, the Federal Communications Commission has adopted changes to the federal low income programs. The Commission has provided the authority of these programs and the funding mechanisms to the states.

The following worksheet provides the means by which eligible telecommunications carriers will be reimbursed by the Universal Service Administrative Company (USAC) for their participation in these programs. Failing to submit the information, or collecting it less frequently, would prevent the Commission from implementing sections 214 and 254 of the Act, would thwart Congress' goals of providing affordable service and access to advanced services throughout the nation, and would result in eligible telecommunications carriers not receiving universal service support reimbursements in a timely fashion.

We have estimated that each response to this collection of information will take, on average, three hours to prepare. We have also estimated that each response will require the respondent to review existing records, gather and maintain required data, and complete and review the response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERIM, Washington, D.C. 20554, Paperwork Reduction Project (3000-0810). We will also accept your comments on the burden estimate via the Internet if you send them to jboley@fcc.gov. Please DO NOT SEND the data requested to this e-mail address.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. If we believe there may be a violation or a potential violation of a FCC statute, regulation, rule or order, your worksheet may be referred to the Federal, state or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information in your worksheets may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding.

If you do not provide the information we request on the form, the FCC may delay processing of your worksheet or may return your worksheet without action.

This foregoing Notice is required by the Privacy Act of 1974, Pub. L. No. 93-502, December 31, 1974, 5 U.S.C. Section 552 and the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. Section 3501, et seq.
