Re: DUPECH Property #159142
Carl H. & Margaret A. Reimers
McLean County, ND

Dear Mrs. Reimers:

Please be advised that before we can delete your husbands name from our records, copies of the following documents would be required:

- A copy of your husband's will,
- Application to probate the will,
- Order of the Court admitting the will to probate,
- Letters Testamentary,
- If applicable, a copy of the document showing the estate closing.

From these instruments, our Legal Department generally can secure sufficient information to release payment to the appropriate party. In some instances, further documentation may be required.

If you and your husband owned the property as joint tenants with right of survivorship, then the above documents are not needed. A copy of the deed conveying said property to you both as joint tenants with right of survivorship and a certified copy of your spouse's death certificate is all that is required.

An envelope has been enclosed for your convenience. If I may be of further assistance, please do not hesitate to call.

Sincerely,

Joan Karras

Dear Mrs. Reimers:

Please accept my condolences on the death of your husband. I would like to update our records to reflect you as sole payee. However, until proper documentation is received, future payments will be issued as in previous years. I have enclosed a copy of our last letter dated 6/06/88, requesting the proper documents, for your review in case the original was misplaced or not received.

In order for us to issue future payments on a timely basis, a speedy reply would be appreciated.

An envelope has been enclosed for your convenience. If I may be of further assistance, please do not hesitate to call.

Sincerely,

Carl H. & Margaret A. Reimers are both deceased. Payments ^{are} going to Farmers Security Bank (Washington) Phoned Charles Reimers (son) he said he had talked to his attorney & attorney ~~advised~~ advised him to keep everything as is being it is such a small interest. For now Charles wants to keep lease as is. Charles said payments can still go to Farmers Security Bank as account is still open.

Talked to Charlie Dorlin said that would be fine - when we mine in 5 years will try to update ^{him}.

Charles Reimers doesn't want to pay attorney to have ~~lease~~ be.

Lease No. 03394

Gentlemen:

We are in the process of updating our lease records and have learned that you are potential heirs of Jeanette Nierenberg, deceased, who is an heir to Carl H. and Margaret A. Reimers. Carl and Margaret appear as owners of 26.6669 net coal acres under the above-referenced Lease, which is held by the Falkirk Mining Company. A copy of the Lease is enclosed for your review.

The heirs of Jeanette Nierenberg will take a portion of the payments under the Coal Lease, but we have yet to determine all of the heirs. We understand that you are all Jeanette's sons.

I have an enclosed a Proof of Death and Heirship form and Form W-9. One of you should have the Proof of Death and Heirship completed by a non-relative third party who had personal knowledge of the facts stated in the form. The form should then be signed and executed by that person in the presence of a notary public. A copy of Form W-9 should be completed by all who will receive a portion of your mother's interest in the payments under the lease.

Please remember that the Proof of Death and Heirship form should not be completed or signed by you, and we ask that you return all originals to our office.

Please call or send an email if you have any questions.

Sincerely,

THE FALKIRK MINING COMPANY

Corey:

We have received info from Jeff, but are still waiting for the W-9 forms from the rest. We don't need a Proof of Death and Heirship from you, Paul, or James, because Jeff has provided one for us.

We do have production royalties to be paid in January, and payment will go out if the production royalties exceed the recoupable balance.

If you guys could get the W-9 information to us ASAP we could process a change to our records to reflect your interest.

Take care.

I do not know at this time, but I can gather some information from the mine as far as tonnage and estimated dates of mining.

Thank you Mr. Bitz.

I have forwarded this letter to my brothers Jim and Jeff and will be in touch with Paul this weekend and will give him your phone #. I do not have his address. I am just curious, do you know a rough estimate on what this is worth? I would not hold you to any figures.

Thank you,
Corey Azure

Corey:

Here is a copy of a letter that was sent to you and your brothers on December 2, 2009. It appears that your copy is still in the process of being forwarded to you, but I thought that I would email it to you, because Sylvia Godich provided your email address to me.

The scanned image attached is the returned copy that was sent to Paul. Do you have a new address or email address for Paul?

Thanks.
