John,

Please docket this email in Case No. PU-10-18. Otter Tail provided updated financial information as a result of our discussion at the June 30, 2010 informal hearing in this matter. I have reviewed the information filed by Otter Tail and agree that the documents sufficiently support the recalculated Renewable Resource Adjustment rider in conformity with the consensus of the parties. Staff supports the revised rider for deployment beginning September 1, 2010 through March 31, 2012. Mike
