

Please inquire at the Administration Office, 1266 Signal Butte.

HIGHWAY ENGINEERING SUPERVISOR

JOB DESCRIPTION:

- Coordinate all county road maintenance and improvement projects.
- Obtain all permits & clearances from all federal & state agencies required for all road & bridge projects, including but not limited to, Army Corps of Engineer permits, EPA permits, US Fish and Wildlife Permits, Utility Easements, etc.
- Coordinate all Federal Aid Road Projects.
- Work with county appointed engineering firm(s) in planning, developing, designing and constructing all county and Federal Aid road projects.
- Develop accountability programs for determining the efficiency of operations in the county highway and engineering department.
- Other duties as assigned by the Board of County Commissioners.

QUALIFICATIONS:

- Minimum of a High School Diploma with Registered Land Surveying Certificate with preference given for a Registered Professional Engineer.
- Familiarity with Federal Highway Administration design standards and rules.
- General knowledge and understanding of county road systems.
- General knowledge and understanding of highway preliminary & construction engineering, surveying, staking & hydrology.
- Ability to coordinate day to day activities with employees or contractors with respect to general highway maintenance and project development.
- Excellent oral and written communication skills with the ability to work with groups and individuals.
- Ability to work with property owners to negotiate right-of-way acquisition for highway improvement projects.

Salary is negotiable. Starting date is March 1, 2010. To apply, mail a letter of application & resume, by 02/02/10, to the Dunn County Board of County Commissioners, PO Box 105, Manning, ND 58642. Dunn County is an Equal Opportunity Employer.
