Subject: Comments from ND PSC regarding Big Stone II Cost Recovery Rider bill insert

On July 12, 2010, you were served a copy of Otter Tail Power Company's filing responsive to ordering clauses 5 & 6 of the Commission's June 25, 2010 order in PU-09-739 and PU-10-13. The Otter Tail filing included a draft bill insert designated as "Attachment C".

I am attaching another draft of the bill insert, with tracked changes by Commission advisory staff. My understanding is that the Commission and advisory staff would like the parties to have an opportunity to review the draft bill insert, and to indicate whether they have suggestions or concerns about its proposed content.

Please promptly reply whether or not you have suggestions or concerns.

Thanks,

Mark
