Nature's Organic Grist, LLC of Saint Croix Falls, Wisconsin, filed a license application to operate as a roving grain buyer in North Dakota. Nature's Organic Grist, LLC has met the license requirements and is anxious to begin purchasing grain.

The applicant submitted a request asking to commence operations effective immediately. I recommend the license be issued to Nature's Organic Grist, LLC Dakota, effective immediately, and that this action be noticed on the Commission's Agenda.

Please sign and date this temporary authority request and return it to me.
