RE: Title Abstract for the 2010 Buechler/Velva Abandoned Mine Lands Reclamation Project

Dear William E. Dodd,

I am submitting a quote for a Title Abstract on:

E½E½ Section 27, All of Section 28 and the NE¼ Section 30,
Township 152 North, Range 81 West of the 5th P.M.

We found that there would be approximately 234 entries and state law states that we can charge \$10.00 per entry and \$100.00 for the certification.

We submit a bid of \$1,500.00 for the new abstract.

Please let me know if we should proceed with the abstract.

If you have any questions, please give me a call. Our file number is 10-098.

Thank You,

Rita A. Lystad
