RE: Change in Business Hours
Fessenden Cooperative Association
Manfred, North Dakota Facility

The Licensing Division received a request from Fessenden Cooperative Association, Fessenden, North Dakota, to operate its public warehouse at Manfred, North Dakota, on an as needed basis. Fessenden Cooperative Association will post a notice advising customers of the business schedule and the phone number for contacting the company. They desire to maintain this schedule on a permanent basis.

I recommend that the request be approved. A corresponding motion and order are attached.
