Basis for Intervening:

The North Dakota Public Service Commission respectfully moves to intervene out-of-time in this proceeding, as its interests may appear.

The North Dakota Public Service Commission is the regulatory authority responsible for ensuring the rates that Montana-Dakota Utilities Co. charges its customers in North Dakota are just and reasonable. The North Dakota customers of Montana-Dakota Utilities Co. may be affected by the decision in this proceeding. Consequently, the North Dakota Public Service Commission has an interest in this case that cannot be adequately represented by any other party.

The North Dakota Public Service Commission was not aware of this proceeding sufficiently in advance of the intervention filing deadline to file a Notice of Intervention. The North Dakota Public Service Commission considered the matter on 10 March 2010 at its first regular meeting following the intervention deadline, and is filing this request as soon thereafter as possible.

The North Dakota Public Service Commission respectfully requests intervention in this proceeding, as its interests may appear.
