Transfer of Site Certificate
Siting Application**

Case No. PU-10-58

**ORDER REISSUING CERTIFICATE
July 28, 2010**

On April 29, 2009, in Case No. PU-07-54, the Commission issued Certificate of Site Compatibility for Energy Conversion Facility No. 11 to Just Wind, LLC. authorizing construction of its Logan County Wind Farm consisting of up to 368 MW of wind turbine generators and associated facilities in Logan County, North Dakota.

On March 5, 2010, in Case No. PU-10-58, Just Wind, LLC and Logan County Wind Farm, LLC submitted a joint application for the transfer of Certificate of Site Compatibility for Energy Conversion Facility No. 11 to Logan County Wind Farm, LLC, a wholly-owned subsidiary of Just Wind, LLC organized in the State of North Dakota for the purpose of developing, owning and operating the Logan County Wind Farm.

On March 24, 2010 the Commission issued a Notice of Opportunity for Hearing, which provided until April 20, 2010 for receiving written comments or requests for hearing. No response was received. The notice stated the issues to be considered are whether Logan County Wind Farm, LLC agrees and is able to comply with the terms and conditions of the certificate issued to Just Wind, LLC, and whether the requested transfer is compatible with the public interest.

The affidavit of Jeffrey L. Metzger filed June 24, 2010 indicates that Logan County Wind Farm, LLC agrees and is able to comply with the terms and conditions of the certificate issued to Just Wind.

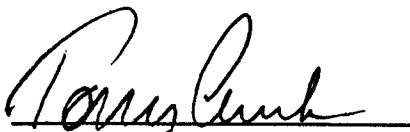

The requested transfer is compatible with the public interest.

Order

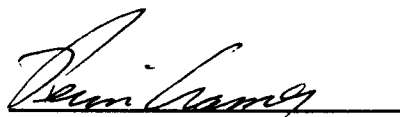

The Commission Orders:

1. The application for transfer of Certificate of Site Compatibility for Energy Conversion Facility No. 11 is granted.
2. First Reissued Certificate of Site Compatibility for Energy Conversion Facility No. 11 is issued to Logan County Wind Farm, LLC.

PUBLIC SERVICE COMMISSION

STATE OF NORTH DAKOTA

Certificate of Site Compatibility for Energy Conversion Facility

First Reissued Certificate Number 11

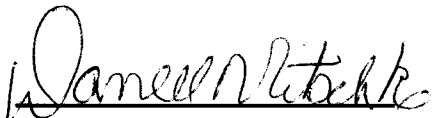

This is to certify that the Commission has designated an energy conversion facility site for Logan County Wind, LLC's Logan County Wind Farm consisting of up to 368 MW of wind turbine generating capacity, collection substation and associated facilities in Logan County, North Dakota.

The facility may be sited in this designated location in compliance with the energy conversion facility siting criteria. This certificate is issued in accordance with the Finding of Fact, Conclusion of Law and Order of the Commission in Case No. PU-07-54 dated April 29, 2009 and the Order of the Commission in Case No. PU-10-58 dated July 28, 2010, and is subject to the conditions and limitations noted in those orders.

Bismarck, North Dakota, July 28, 2010.
