Further right, privilege and easement is granted Otter Tail to place, position and locate the butts of the main poles, pole structures or underground wires over, across or under the Customer's real property in such manner and location as the parties may mutually agree. Otter Tail shall have the right of ingress and egress at all reasonable times, for the purpose of the perpetual right, privilege, and easement granted hereby and shall have the right to cut down and trim trees as reasonably necessary to keep the wires of these electric lines clear, so as to be maintained in accordance with Otter Tail's standards of construction and maintenance. This connection fee shall be in lieu of any guaranteed minimum charge (other than such monthly and seasonal minimum charges which may be part of the rate applicable to this service).
7. In the event Otter Tail is required to change the service lines for any reason other than normal maintenance or inadequate capacity, the party requiring the change shall pay all costs connected with the change.
8. In the event of the failure of the Customer to make any payment required by this agreement, it is understood and agreed that Otter Tail is authorized to discontinue service and remove, without legal process, any and all of the extensions of lines and other property installed by Otter Tail under the terms of this agreement.
9. Where the Customer requests electric service and service is provided by means of an underground service lateral, owned and installed by Otter Tail, the Customer shall, except for backfilling, assume, at his own expense, the necessary land restoration, including but not limited to, yard maintenance, grass planting, and trench leveling.
10. Where Customer has blocked or restricted access to Company facilities through plantings, construction, pavement, etc., all costs of obtaining access for maintenance, repairs or replacement of said facilities, whether underground or overhead, together with all costs of site restoration, including but not limited to trenching, tree removal, earth removal, reconstruction or repaving, shall be the responsibility of the Customer.
11. No liability shall attach to Otter Tail for any failure to deliver electric power hereto due to acts of God, or any other cause whatsoever except its own voluntary act or any neglect to exercise reasonable care and diligence in performance of the agreement herein contained, and Otter Tail shall have the right to suspend temporarily the delivery of electric power hereunder for the purpose of making repairs or improvements of its system.
12. This agreement shall go into effect on the date of initiation of service and shall continue in effect for a period of ten years and thereafter shall remain in effect from year to year unless terminated by either party by notice within at least sixty days.
13. The rights and obligations of this agreement shall extend to and be binding upon the respective heirs, executors, administrators, successors and assigns of the parties hereto.
