Revision No. 8, Permit NACT-0201
Application

Case No. RC-10-71

NOTICE OF RECEIPT OF REVISION APPLICATION

June 2, 2010

The Coteau Properties Company has filed an application for Revision No. 8 to Surface Coal Mining Permit NACT-0201. This revision proposes to mine federal coal tracts within the existing permit area and updates other mining plans south of County Road 26. The revision also modifies the post-mining topography, surface water hydrology, post-mining land use, post-mining wetlands and post-mining stockponds for most lands south of County Road 26. No additional lands are being added to the permit with this revision and permitted acreage will remain at 17,050.96 acres. The federal coal tracts located south of County Road 26 that are proposed to be mined are located in all or portions of:

Sections 26 and 34, T145N, R88W, and Sections 2, 4, 6, and 8, T144N, R88W, Mercer County, ND.

The revision applications and surface coal mining and reclamation permit may be inspected at:

Stanton, North Dakota 58571

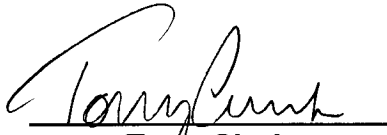

You may submit written comments or objections on the proposed permit renewal and revision applications and their effects on the environment and on surface owners of the land in the permit area. You may request an informal conference with the Commission and the applicant on the renewal and revision applications. The reasons for requesting an informal conference must be stated in the request. Written comments, objections, or requests for informal conference must be made by July 12, 2010.

If there is an informal conference, you may request a formal administrative hearing on the Commission ruling on the applications. Your request for a formal hearing must be made within thirty days of the Commission ruling on the applications.

Written comments, objections, or requests for informal conferences should be addressed to the Public Service Commission, State Capitol, Bismarck, North Dakota 58505-0480.

For more information you may contact the Public Service Commission at 701-328-2400.
