Mr. James R. Deutsch, Director  
Reclamation Division (VIA INSIDE MAIL)  
Public Service Commission  
State Capitol Building  
Bismarck, North Dakota 58505

Dear Mr. Deutsch:

In a May 12, 2010 letter, you requested our comments on the application by the Coteau Properties Company of Revision No. 8 to Permit NACT-0201, the mining permit for the West Mine Area (Mine Areas 1 and 3), west of the Beulah trench. The proposed Revision 8 adds some federal coal to the mine plan, but contains no new groundwater-related information. I therefore have no further comment on the proposed revision.
