In re: Tatanka Wind Power, LLC
Notice of Revised Filing
Decommissioning
Case No. PU-10-073
Our File No. 010268-000001

Dear Mr. Kahl:

I am writing on behalf of Tatanka Wind Power, LLC (“Tatanka”), a subsidiary of Acciona Wind Energy USA LLC, in regard to Tatanka’s April 2021 Updated Decommissioning Plan and Cost Estimate filed as Docket No. 13, as supplemented (hereinafter the “April 2021 Plan”). At the Commission’s October 20, 2021 regular meeting the Commission approved a motion denying Tatanka’s April 2021 Plan. During the Commission’s discussion, a Commissioner encouraged Tatanka to adjust its April 2021 Plan to include additional information and subsequently refile. In consideration of this feedback, Tatanka provides notice it is working to expedite revisions to its April 2021 Plan and will submit a revised filing on or before November 12, 2021.

Please feel free to contact me with any questions.

Sincerely,

Casey A. Furey
