FROM DIRECTOR - RECLAMATION

Date: _____

Action: _____

Info. Only: _____

Info & File: _____

Dear Commissioners,

Please deny the request for a permit for the South Heart Coal Inc. There are too many negatives for this project. Uranium, Impacts to our National Parks, and loss of our good farm land, is just a few.

Please hold a 'Formal' hearing on this matter and let the public speak !!

Thank you!

Ken Kudrna
