Re: South Heart Coal LLC, Permit No. SHSH-1001 Application, Case No.  
RC-10-77, OAH File No. 20110154

Dear Judge Hoberg:

It has come to my attention that Dakota Resource Council, Neighbors United, and Dacotah Chapter of Sierra Club are urging their members and supporters to attend the evening session of the June 28, 2011 informal conference in this matter in Dickinson, as the time is more convenient for most people. There will likely still be some participation at the 10 a.m. session, but the majority of participants will probably attend the evening session and speak then. I plan to present the same information at both sessions, but other speakers from coalition organizations may only be present in the evening. There may be no reasonable way to avoid the redundancy of asking and answering many of the same questions at the morning and evening sessions, but I wanted to make you aware that this may be the case.

I am faxing copies of this letter to Lawrence Bender, Ilona Jeffcoat-Sacco and Mark Gruman.

Sincerely yours,

Carrie La Seur
