RE: Langdon Renewables, LLC
 Case No. PU-10-105
 Financial Assurance
 Our File No. 035218-000023

Dear Mr. Renfandt,

On September 11, 2018, a joint application for expedited transfer of certificate of site compatibility for the Langdon Wind Energy Center was filed with the Commission for the transfer of the site certificate from Langdon Wind, LLC to Langdon Renewables, LLC (Case No. PU-18-336). On November 8, 2018, the Commission granted the transfer application and ordered that First Reissued Third Amended Certificate of Site Compatibility No. 6 be issued to Langdon Renewables, LLC (Case No. PU-18-336, Docket No. 15); however, the certificate was reissued in the name of Langdon Wind, LLC. On July 25, 2019, the Commission issued a corrected amended certificate of site compatibility to Langdon Renewables, LLC (Case No. PU-18-336, Docket No. 22).

On behalf of Langdon Renewables, LLC and pursuant to N.D. Admin. Code ch. 69-09-09, enclosed for filing in the above-referenced matter is an executed parent guarantee for decommissioning of the Langdon Wind Energy Center in accordance with the facility's approved decommissioning plan (Case No. PU-10-105, Docket No. 14). Also enclosed for filing, is documentation demonstrating the credit rating of NextEra Energy Capital Holdings, Inc., the guarantor of Langdon Renewables, LLC's financial assurance.
