Our File No. 035218-000023

Dear Mr. Renfandt,

I am writing in response to your May 2, 2019 correspondence requesting that updated financial assurance be filed for the above listed facilities. NextEra Energy Resources, LLC (“NextEra”) is actively working in good faith with Commission counsel to finalize language to financial assurance documents and will file updated financial assurance for Ashtabula Wind, LLC, PU-10-103 and Langdon Wind, LLC, PU-10-105 as soon as possible.

Currently, the Commission’s decommissioning rules do not include non-permitted facilities. Several of the wind projects identified in your May 2nd letter were not originally permitted by the Commission, specifically, FPL Energy Oliver Wind I, LLC (PU-10-101), FPL Energy Burleigh County Wind, LLC (PU-10-102), FPL Energy North Dakota Wind II, LLC (PU-10-106), FPL Energy North Dakota Wind, LLC (PU-10-107), and FPL Energy Oliver Wind II, LLC (PU-10-110). It is NextEra’s understanding that the Commission may commence a rulemaking

to amend its decommissioning rules to include these facilities. With respect to these non-permitted facilities, NextEra will file financial assurance pursuant to the Commission's regulations should the Commission commence a rulemaking to govern decommissioning requirements for non-permitted facilities.

Please feel free to contact me with any questions.

Sincerely,

CROWLEY FLECK PLLP
