PUBLIC SERVICE COMMISSION**  
North Dakota Oilseed Mills, LLC  
Grain Warehouse - Northwood, ND  
License Application  
Case No. GE-10-325  
**NOTICE OF HEARING**  
July 23, 2010

On June 23, 2010, North Dakota Oilseed Mills, LLC submitted a partial application for a grain warehouse license to operate a canola processing facility at Northwood, North Dakota. North Dakota Oilseed Mills, LLC submitted a letter with the application, asking the Commission to determine the bond amount they will be required to file.  
A public hearing on the application is scheduled for August 31, 2010 at 1:00 p.m. in the Commission Room, Grand Forks County Office Building, 151 South 4th Street - 6th floor, Grand Forks, North Dakota. The issues to be considered are:  
1. Whether North Dakota Oilseed Mills, LLC should be issued a grain warehouse license.  
2. Whether North Dakota Oilseed Mills, LLC, if issued a grain warehouse license, should be required to file a surety bond in excess of \$50,000, the amount as determined based on the total physical capacity of the warehouse facility.

Whether North Dakota Oilseed Mills, LLC, if issued a grain warehouse license, should be subject to monitoring of grain warehouse activities for whatever period of time is deemed necessary.

Tioga Gas Plant Addition - Williams City  
Siting Application  
Case No. PU-10-120  
**NOTICE OF FILING AND NOTICE OF HEARING**  
June 14, 2010

Tony Clark, Commissioner  
Kevin Cramer, Chairman  
Brian P. Kalk, Commissioner

On June 25, 2010, Hess Corporation filed an application for a certificate of site compatibility to authorize construction of a 250 MMCFD addition to the Tioga Gas Plant consisting of various processing facilities, including a flare stack that will be located on an adjacent tract comprised of 21 acres in Williams County, North Dakota as shown on the attached map.  
A Public Hearing on the application is scheduled to begin on August 30, 2010 at 10 a.m. CDT in the Tioga City Hall, 12 1st Street NE, Tioga, ND 58852.  
The issues to be considered are:  
1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?  
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?  
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
