

Western Plains Consulting, Inc.

References:

1. Mr. Gary Berreth
North Dakota Department of Health
Division of Waste Management
918 E. Divide Ave., 3rd Floor
Bismarck, ND 58501-1947
(701) 328-5167 (office)

Mr. Berreth oversees the US EPA Leaking Underground Storage Tank Program and is the Underground Storage Tank Program Manager. WPC is under contract with the EPA through this Program, and Mr. Berreth has worked with WPC staff on a large number of projects for more than 15 years and is familiar with our quality of work.

2. Mr. David Valenzuela
United States Department of Agriculture
Forest Service
McKenzie Ranger District
1901 S. Main Street
Watford City, ND 58854
(701) 842-2394 ext. 26

Mr. Valenzuela reviews various wildlife and botanical surveys that WPC performs on US Forest Service lands under the Watford City office's jurisdiction. Mr. Valenzuela also reviews and oversees the monitoring/remediation work WPC is performing at two significant oil spill sites on Forest Service lands. Mr. Valenzuela can provide a reference on the quality of work that his office has received from WPC.

3. Mr. Bill Schuh
North Dakota State Water Commission
900 East Boulevard Avenue, Dept 770
Bismarck, ND 58505-0850
(701) 328-2750 (Office)

Mr. Schuh's office at the State Water Commission was the client on a soil mapping project that WPC staff did along the Devils Lake Outlet. WPC staff also performed a significant number of wetland mapping/delineations along proposed outlet routes. Mr. Schuh has worked with WPC staff for more than eight years and is familiar with WPC's quality of work.
