RE: Response to MDU's Compliance Filing on June 17, 2010  
Case No. PU-10-124

Staff has reviewed Montana-Dakota Utilities Co.'s compliance filing for interim Rates 95 and 96 and agrees that it is in compliance with the Interim Order issued by the commission on June 16, 2010. The compliance filing for these rates were inadvertently omitted from MDU's initial interim rate compliance filing dated June 16, 2010.
