Case No. PU-10-124 NOTICE OF HEARING and NOTICE OF PUBLIC INPUT SESSIONS June 16, 2010
On April 19, 2010, Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (MDU) filed an application to increase its rates for electric utility service to provide additional annual revenue of \$15,396,303 or a 14% increase over current rates. A public hearing on this matter will be held beginning November 8, 2010 at 8:30 a.m. CDT (7:30 a.m. MDT) in the Commission hearing room, State Capitol, 12th Floor, Bismarck, North Dakota 58505. Issues to be considered in this matter are:
1. What is the value of MDU's property, used and useful, for the service and convenience of the public in North Dakota?
2. What is MDU's rate of return on its property, used and useful, for the service and convenience of the public in North Dakota?
3. What is a just and reasonable rate of return on MDU's property, used and useful, for the service and convenience of the public in North Dakota?
4. What rates and charges are necessary to provide a just and reasonable rate of return on MDU's property, used and useful, for the service and convenience of the public in North Dakota?

6. Other relevant information or proposals concerning the proceeding.
Public input sessions will be held via interactive television on July 12 at 12:00 p.m. CDT (11:00 a.m. MDT) and on July 13 at 7:30 p.m. CDT (6:30 p.m. MDT). Members of the public are invited to appear and participate in the public input session at the locations set forth below.

STATE OF NORTH DAKOTA PUBLIC SERVICE COMMISSION Midcontinent Communications/Turtle Mountain Communications, Inc. Rural Exemption Investigation
Case No. PU-10-157 NOTICE OF HEARING June 16, 2010
On May 12, 2010, Midcontinent Communications (Midcontinent) filed notice with the Commission that Midcontinent had by letters dated April 16, 2010 and April 23, 2010 made bona fide requests under 47 U.S.C. § 251(c) for wholesale resale of telecommunications services for the Williston, Dunsheith and Bisbee, North Dakota exchanges from Turtle Mountain Communications, Inc. (Turtle Mountain). Under 47 U.S.C. § 251(f)(1)(A) a rural telephone company is exempt from the requirements of Section 251(c) until it receives a bona fide request and until the state commission determines that the exemption should be terminated.
Midcontinent requests that the Commission conduct an inquiry for the purpose of determining whether to terminate the Turtle Mountain's 47 U.S.C. § 251(f)(1)(A) exemption from providing its services for resale.
Under 47 U.S.C. § 251(f) the Commission must conduct an inquiry and within 120 days after receiving notice of a bona fide request, must decide whether to terminate the exemption.
A public hearing has been scheduled for August 4, 2010 at 9 a.m. (CST) in the Commission Hearing Room, 12th Floor, State Capitol, Bismarck, North Dakota. The issues to be considered in this matter are:
1. Whether the request of Midcontinent is unduly economically burdensome.
2. Whether the request of Midcontinent is technically feasible.
3. Whether the request of Midcontinent is consistent with 47 U.S.C. § 254 (other than subsections (b)(7) and (c)(1)(D) thereof).
4. The implementation schedule for compliance with the request should the exemption be terminated.
5. If Turtle Mountain's exemption under 47 U.S.C. § 251(f)(1)(A) is terminated, whether the exemption is to be terminated for the whole company.
6. If Turtle Mountain's exemption under 47 U.S.C. § 251(f)(1)(A) is terminated, whether the exemption is to be terminated for all services required under 47 U.S.C. § 251(c).
For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400 or 877-245-6685; or Relay North Dakota 1-800-366-6888 TTY.
