Counsel and Mr. Skokos, Mr. Roaché called me yesterday afternoon, November 17, to advise me that he will not require any of the exhibits which were offered and received at the hearing November 12 which he did not receive.

I confirmed my advice in my letter to Mr. Roaché that I would inform him when the transcript of the hearing was filed, and further advised him that I would confirm the date when he would have to have his closing statement in the mail to the Commission and to the other parties participating in the hearing. (Mr. Skokos, I will also inform you accordingly by e-mail.)

Regards, Al Wahl.
