RE: Discontinue Business – Tunbridge, ND
Scott G. Foss dba Lone Prairie Grain

The Licensing Division received a Request to Discontinue Business from Scott G. Foss dba Lone Prairie Grain, Maddock, ND, for its facility at Tunbridge, North Dakota. Mr. Foss created a business corporation and this facility will be licensed by that corporation. All outstanding grain storage obligations have been assumed by Lone Prairie Grain, Inc.

I recommend the request be approved. A corresponding motion and order are attached.
