Subject: RE: Case No. PU-10-130 Enbridge City of Berthold - Pre-Construction Meeting Waiver Request

Mr. Homeniuk,

Please consider this email as confirmation that another pre-construction meeting with the PSC for construction on the East 80 acre property will not be necessary. The pre-construction meeting held on August 26, 2010 covered the Commission's August 4, 2010 order granting certificates for authority for the entire Berthold Station expansion and upgrade project which includes the East 80 acre property. This confirmation is based on your affirmation that the same Enbridge engineering/construction team and contractors involved in the August 26, 2010 preconstruction meeting will be doing the work on the East property.
