Here are your quotes for the week:

I have a friend who's collecting unemployment insurance. This guy has never worked so hard in his life as he has to keep this thing going. He's down there every week, waiting on the lines and getting interviewed and making up all these lies about looking for jobs. If they had any idea of the effort and energy that he is expending to avoid work, I'm sure they'd give him a raise. ~Jerry Seinfeld

For we pay a price for everything we get or take in this world; and although ambitions are well worth having, they are not to be cheaply won. ~ Lucy Maud Montgomery

## Lewis & Clark-ORCS takes first loss of season

The Lewis & Clark-Our Redeemer's football team lost their first game of the season Friday night to Stanley-Powers Lake, 33-7.

The Bombers played on their home field and held the Blue Jays scoreless in the first and third quarters. Stanley-PL dipped into the end zone twice in the second quarter, however, for a 14-0 lead, then added 19 points in the fourth quarter.

Unfortunately, the L&C-ORCS offense couldn't prevail against the Blue Jays until the final period, when quarterback Adam Birdsall connected with Dan Yale on a 75-yard pass. Dustin Bailey's kick was good for the extra point, but time ran out before the Bombers could extend their rally.

The Bombers will travel to Velva Friday to play the No. 1-ranked Aggies, with the kickoff scheduled for 7 pm.

STATE OF NORTH DAKOTA  
PUBLIC SERVICE  
COMMISSION  
Enbridge Pipelines  
(North Dakota) LLC  
Berthold Station Upgrades  
Siting Application  
Case No. PU-10-130  
NOTICE OF HEARING  
September 22, 2010

On August 4, 2010, the Commission issued an Order granting the application of Enbridge Pipelines (North Dakota) LLC (Enbridge) and issuing Certificate of Corridor Compatibility Number 114 and Route Permit Number 124 authorizing construction and operation of upgrades to Enbridge's Berthold Station in Ward County, North Dakota. The Order was conditioned on Enbridge's compliance with local land use, zoning, and building rules, regulations and ordinances.

On September 20, 2010, Enbridge filed a Motion and supporting documents under N.D.C.C. § 49-22-16(2) asking the Commission to reopen the proceeding and supersede and preempt the City of Berthold's zoning decision.

A Public Hearing on this matter is scheduled to begin November 5, 2010, at 11:00 a.m. CDT, at the Berthold American Legion Hall, 30303 20th Ave SW, Berthold, North Dakota, 58718.

The issue to be considered is whether the City of Berthold's rules, regulations, or ordinances, as applied to Enbridge's Berthold Station, are unreasonably restrictive in view of existing technology, factors of cost or economics, or needs of consumers regardless of their location.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota, 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify the Commission at least 24 hours in advance.
