MEMORANDUM

TO: Commissioners Cramer, Clark and Kalk

FROM: Sue Richter - Licensing Division

RE: Cancel License and Discontinue Business
Request for Temporary Authority
North Pacific Group, Inc. dba North Pacific

The Licensing Division received a request from North Pacific Group, Inc. dba North Pacific, Portland, Oregon, to cancel its roving grain buyer license. North Pacific was put into receivership in January 2010; therefore, they are unable to operate and the license is no longer needed. Commission staff requested information regarding unpaid grain purchases that may be pending and was assured that all North Dakota grain purchases have been paid.

The food and ag division of North Pacific was sold to and will be licensed by Bridgewell Resources, LLC who has filed a license application package with the Commission.

Statutory compliance has been met and Staff recommends that the roving grain buyer license issued to North Pacific Group, Inc. dba North Pacific be cancelled, their request to discontinue business be approved effective immediately, and that this action be noticed on the Commission's Agenda.

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized.

Commissioner
