PUBLIC SERVICE COMMISSION

Honorable Kevin Cramer
Commissioner
Public Service Commission
State Capitol
Bismarck, ND 58505-0480

Dear Mr. Cramer:

Enclosed is the Senate Appropriations Committee, Senator Ray Holmberg, Chairman, January 10-14, 2011, hearing schedule. Please note the bills or presentations relating to your department or institution that are scheduled during this time.

On behalf of the chairman, we ask that a representative of your department or institution testify during the times scheduled. The chairman asks that presentations to the committee be in written form to allow for future reference. Budget presentations should focus on the department's or institution's 2009-11 appropriation, estimated 2009-11 spending and the status of one-time funding items, 2011-13 budget needs, 2011-13 one-time funding needs, and major variances. The chairman asks that any changes your department or institution will be asking the committee to make to the executive recommendation be itemized and presented to the committee in a separate document (one page, if possible) during your budget hearing. Time should be allowed for committee member questions.

The checkmarks on the enclosed schedule indicate the hearings or presentations relating to your department or institution. The hearings will be held in the committee rooms as identified on the hearing schedule. This is the schedule for the committee; however, it is subject to change when the legislative session begins.

Please contact Senator Holmberg or me if you have any questions relating to the enclosed schedule.

Sincerely,

Allen H. Knudson
Legislative Budget Analyst and Auditor
