Subject: Questions from House Budget Meeting this AM

Good afternoon!

The following questions were asked by the House Appropriations Committee on Government Operations during this morning's budget testimony:

AML Questions

1. How much money is in the Federal Trust Fund for AML?
2. How much does ND expect to receive from that fund?
3. Where do we rank among other states receiving funds?

Fiscal Questions:

4. Why did the agencies salary line decrease by \$2,075?
5. What is agency spending to date?

I will prepare reports to answer the 2 fiscal requests.

If anyone has any additional information to add, please include in this list.

Thanks,
Josh
