PUBLIC SERVICE COMMISSION

Subject: Post-Hearing Exhibits for Ashtabula III Wind Energy Center, Case No. PU-10-147

Mr. Nitschke:

Per the ND PSC's request in the attached exhibit list, included are the following documents for the Commission's review during the work session plan for Wednesday, July 28. A CD with electronic copies of each document is also included for your convenience. Please include these documents in the case file for this project.

# Copies	Exhibit
6	Class III Cultural Resource Inventory Report
6	Wetlands Delineation Report (only one copy of Appendix A and B due to large file size)
11	Avian Survey Summary
11	Acoustic Assessment Report
11	Shadow Flicker Impact Analysis
11	Map showing location of residences and turbines with distances indicated
11	Low-frequency vibration study

Please feel free to contact me at (512) 338-1667 or Anne-Marie.Griger@tetrattech.com if you have any questions.

Sincerely,
